

To All:

I have received a call from ODNR (Ahmed Hawari) on July 30, 2008, informing me that Bainbridge will not be receiving the LEL updates promised to be sent us in the week of July 21, 2008. In addition Bainbridge will not be receiving any future LEL updates because ODNR will be putting the information on their website starting on August 8, 2008. This is the method chosen by ODNR for all future updates of the LEL readings in Bainbridge.

This information will be put on our website today via a copy of this email.

Sincerely,

Mike Joyce
